

YOU WILL NEED TO INQUIRE OF EVERY TABLE, WHETHER OR NOT THEY HAVE DINED IN OUR RESTAURANT BEFORE. IF THE ANSWER IS "NO", YOU ARE REQUIRED TO EXPLAIN THE TAPAS CONCEPT AND MENU COMPLETELY AND GIVE THEM ALL THEIR OPTIONS.

Every item on our menu can be described as authentically Spanish. The three main ingredients in Spanish cooking are **garlic, olive oil, and peppers** (not necessarily hot peppers). The chef selects only the best imported Spanish products to make regional Spanish specialties as well as original creations. Our menu may change occasionally, due to market availability of items and seasonal influences.
